

Being A *Proverbs 1-30* Man

Scripture Reading – *Proverbs 1:1-7*

- A. We often speak of God's picture of a virtuous woman from *Proverbs 31*. Wouldn't it have been helpful for there to be a *Proverbs 32* so that God could describe a virtuous man?
- B. But we need no such description, because that is what God has provided in *Proverbs 1-30*.
- C. Three ways this divine wisdom should be viewed:
 - 1. For men, this is what you must grow to be like.
 - 2. For unmarried women, if you desire a happy marriage, you should look for this kind of man.
 - 3. For parents, this is the target you ought to establish for your sons.
