

# Examining The “Promises” Of Premillennialism

**Scripture Reading** — *Romans 11:13-24*

## **Introduction:**

- A. The Old Testament promises of God to Abraham form a foundational plank in the platform of Premillennialism.
- B. In *Genesis 12-17*, God made three distinct promises to Abraham:
  - 1. A great nation would be formed from his lineage.
  - 2. That nation would inherit a specific land.
  - 3. Through Abraham’s lineage, all of the nations of the earth would be blessed.
- C. Much of Premillennial theory is founded on the belief that cataclysmic events will occur because of these promises and their **future** fulfillment.
- D. Which leads us to a vital question—**have these promises been fulfilled?**
