Sharing the Gospel with someone is of greatest importance! Sometimes a valid way to start a conversation is by asking, “Do you want to know Jesus?”

Below is a road map through your Bible to help illustrate things Jesus wants us to understand and make important decisions about. This is a great study to have with anyone thinking about strengthening their relationship to God.

6 Things Jesus Wants Us To Be Convicted About:

- To know who He is - John 20:30-31
- To believe what He says – John 3:18
- Trust Him – John 10:14-15
- Love Him – Mark 12:29-31
- Choose Him – Matthew 11:28-30
- Follow Him – Luke 9:23-24

Can you think of other verses that would help illustrate things Jesus wants us to know and be doing? Maybe some warnings too?

Using something as simple as these road map studies really helps to get us talking about the Lord to those we love!
